

Dear _____
RETAILER'S NAME

I love my Mabu cloth and don't want to be without one.
I've downloaded this note so you can see a picture of the cloth package and the information on where to get it.
Please order some so I can find Mabu Multi Cloths in your store.
Their website is at
www.mabu.com
Sincerely,

A Mabu fan
P.S. Try one yourself and join the club.

People like this cloth so much it gets fan mail...

If you go to the Mabu website you can read what people say about Mabu Multi Cloth.

- No more sour dishcloth smells...naturally.
- Naturally bacteria and stain resistant.
- Made from 100% natural wood fibre.
